

RB MRC TECHNICAL DATA SHEET

Description

RB MRC is a medium-fast drying, ultra-low VOC, low odor metering roller wash designed for medium to large presses. RB MRC breaks down conventional and UV inks and removes them from metering rollers quickly without drying too fast.

Application Information

Safety First - Review Safety Data Sheet (SDS) and secure proper Personal Safety and Protective Gear.

Hand Wash/Manual Application:

Cleaning Blankets

Apply RB MRC as you would a conventional metering roller cleaner. Once the rollers are clean and free of ink, they are ready for your next run.
